

CAPABILITY STATEMENT

Bell Business Services

Helping Individuals & Businesses
BRING YOUR VISION FORWARD

EXECUTIVE SUMMARY

Bell Business Services Ltd Co. focuses on providing direct consulting and management services tailored for both profit and non-profit organizations. Their offerings include comprehensive business startup consulting, which helps entrepreneurs establish and grow their businesses effectively. As well as organizational management services for existing companies who are looking to outsource their administrative needs. In addition, BBS provides a suite of services including marketing, design, publishing, and notary services, aimed at addressing various operational needs of any size businesses. With over 20 years of experience in administrative and consulting roles, BBS aims to empower businesses and professionals through resources and support designed specifically for those seeking direct improvement in their business operations.
